Washington, DC -- Upon learning the news of Rep. Jack Murtha's passing, Congressman Charlie Wilson (OH-6) released the following statement:

"Jack Murtha was a friend, a dedicated civil servant, and a fighter who fought the good fight for the people of Pennsylvania's 12th Congressional District and the nation. His death will leave a hole in the House of Representatives. Jack was a Vietnam veteran and a seasoned veteran of the House who newer Members of Congress could count on for friendly advice. He was a pillar in our Democratic Caucus. We always called him the "Big Guy," and it will be difficult to see his empty chair on the House floor when we return to work this week. My prayers and thoughts go out to his family, his staff and to the good people of Pennsylvania's 12th Congressional District. He will be missed."
